THE First CORN BOWL Game

It was just two years ago that the First Annual Corn Bowl football game was played here in Bloomington, but plans for this great event were formulated in the minds of our civic leaders many months before.

The Corn Bowl event was planned as more than just a football game. It was designed to focus the attention of the nation on Bloomington — the capital of the greatest corn producing county in the United States.

Sponsored by the Louis E. Davis Post No. 56 of The American Legion, the first Corn Bowl game was received so enthusiastically in spite of the inclement weather that it is now a permanent Thanksgiving Day event. The entire net proceeds of every Corn Bowl game are used by the local Legion Post to further its Youth Activities Program.

Two years ago, despite snow and ice, 30,000 shouting and cheering spectators lined the Bloomington streets on Thanksgiving Day morning to watch the hour-long parade of colorful floats and bands. In the afternoon, a hardy crowd braved sub-freezing weather at Fred Carlton Field to watch Southern Illinois University trounce North Central, 21-0, to win the coveted Corn Bowl trophy.

LAST YEAR

Nearly 9,000 Thanksgiving Day enthusiasts delayed their turkey dinners for two hours a year ago today in order to watch the second edition of the annual Corn Bowl game at the stadium. When the smoke and din of the battle finally cleared away, there were nearly 9,000 spectators dumbfounded and amazed as they left the stadium after watching a two-touchdown underdog Wesleyan Titan eleven defeat an outstanding, previously unbeaten Eastern Panther eleven. Score 6-0.

A portion of the 9,000 rooters show their satisfaction as Wesleyan's Gib Baechler sweeps across for the lone touchdown of the game with just 66 seconds remaining in the final period. It was a great day and a glorious finish for Wesleyan rooters.

Eastern's great band of 100 pieces, plus six baton throwers, all real artists, added a great deal to the success of the second annual Corn Bowl game at the stadium. Photograph shows the Charleston musicians forming a gigantic IW on the playing field at halftime.*

Don Larson, Wesleyan quarterback, is shown here "on the loose." He turned in the longest run of the day — a 51 yard gain on a flat pass from Gib Baechler who later scored the winning touchdown. Final score: Wesleyan 6, Eastern 0.

Americanism in Action

No single activity of The American Legion means more to the average Legionnaire and to the community as a whole, than the Legion's vast program of Americanism.

Legionnaires in the Louis E. Davis Post No. 56 take an active part in supporting Americanism, because they believe in its doctrines of Liberty, Freedom and Justice for all. They believe in teaching the youth of America what the American way of life means . . . and how it must be defended.

Specifically the Legion's Americanism Program promotes understanding of the principles of democratic government; it encourages education through thousands of schools for children and night schools for adults; it takes the lead in disseminating knowledge of and promoting respect for the National Flag; it does important work for the boys of America through Boy Scout activities and junior athletics; it combats revolutionary radicalism and all movements which have for their aim the downfall of America; it strives for the maintenance of the national defenses at a strength sufficient to guarantee the security of the country; it gives sound, practical service in this community, working to make it a better place in which to live.

EASTER EGG *Hunt*

The Easter Egg Hunt sponsored by Louis E. Davis Post is an annual affair eagerly looked forward to by the many children in this community. All children under 12 years of age are eligible to participate in this exciting affair held each year in Miller Park. More than 4,000 boys and girls enjoyed the hunt last year.

Easter egg hunters assemble in front of the bandstand for magic show after finding the sacks of candy. Each child received a free bottle of pop in addition to the candy.

Tots are egged on by their parents at Miller Park on Easter afternoon as they break from the starting line like a horde of homesteaders in the old west. White dots on grass are packages of easter eggs. The children found them all in less than two minutes after the starting signal.

THE AMERICAN LEGION *Junior Baseball Program*

Charley (Old Hoss) Radbourne, a Bloomington product and one of the greatest baseball pitchers of all times, would have been proud of his old home town if he were alive today. He would have given his full endorsement to the growing American Legion Junior Baseball Program which is offered by the Louis E. Davis Post as a curb for juvenile delinquency.

Each summer nearly 1,000 boys play supervised baseball and receive instruction from trained managers. The program is open to all boys in the community, aged 9 to 17, regardless of their race, creed or color. The extensive Legion program covers a period of six weeks while the boys are out of school. They furnish their own shoes and gloves. Sponsoring businessmen buy the teams' shirts and caps. The local Legion Post buys all the bats and baseballs and pays a manager.

This wide youth activity builds physical strength, inculcates better citizenship and clean sportsmanship; and develops courage, fair play and team spirit.

WESTERN ILLINOIS STATE COLLEGE

Macomb, Illinois

Western Illinois State College in Macomb is currently celebrating its 50th year of service to the students and residents of the western section of the state. Although the main emphasis is placed on teacher-education, a general college was added in 1943 to enable students to secure a liberal education plus pre-professional courses.

The president of Western is Dr. Frank A. Beu who is one of the most sports-minded administrators in this area. It was through his efforts that Leatherneck football teams will have a new \$260,000 stadium to play in beginning next fall. The Western campus is known as one of the most beautiful in the Midwest. Registration for the fall quarter was 1550.

In Vince DiFrancesca's initial season as Western's head coach, he has brought home the IIAC title with four straight wins. A native of Evanston, Vince captained the Wildcats during his senior year at Northwestern. He served as athletic director at Coalinga Junior College in California before coming to Western State.

Youth of America

The net proceeds of today's Corn Bowl football game will go into the Youth Activities Program of Louis E. Davis Post No. 56. For many years this post has been a leader in the community in combating juvenile delinquency through its planned program of youth activities.

The American Legion's Junior Baseball program is the largest supervised athletic organization in this community. Last summer over 1,000 boys 8 to 18 years of age participated in this program. The Legion furnishes bats, balls, catching equipment, and teachers free of charge to all, regardless of creed or color.

Other projects sponsored by the Legion for the youth in this community are: the American Legion Oratorical Contest; Boy's State, the Legion-sponsored week long camp held annually at the Illinois state fair grounds at Springfield; Boy Scout Troop No. 5 at Illinois Soldiers and Sailors Children's School; the annual Easter Egg Hunt held at Miller Park for McLean County children; the annual Legion Community Christmas party; and the Child Welfare Program which provides free medical care to needy children of veterans.

The Legion serves you by serving the children of this community.

WHEATON COLLEGE — Wheaton, Illinois

Wheaton, founded in 1860 by Dr. Jonathan Blanchard, has maintained, in its 90-year growth, a clear and uncompromising stand on the fundamentals of the Christian faith along with sound and aggressive scholarship. Wheaton is in a real sense a nation-wide institution. It is non-sectarian, supported by individuals and churches of many Protestant denominations in all sections of the United States.

This year, Wheaton's 1500 students come from 46 states, the District of Columbia, and 24 foreign countries and make the school the largest liberal arts college in Illinois outside of Chicago. Following Dr. Jonathan Blanchard, his son, Dr. Charles Blanchard became President in 1882. Dr. James Oliver Buswell succeeded him in 1925 and Dr. V. Raymond Edman became Wheaton's fourth president in 1941. Wheaton's spacious campus is located in the heart of Wheaton, 25 miles west of Chicago's loop.

Harv Chrouser is in his sixth season as head coach. He graduated from Wheaton in 1934 and began his career at Sterling College in Kansas. He returned to Wheaton in 1940 for two years and then served in the Navy for three years. He resumed coaching in 1946 and in the past four years has produced teams that have won 27 games, losing six and tying one.

7th REGIONAL JUNIOR BASEBALL TOURNAMENT HELD HERE

Four of the midwest's finest Junior American Legion baseball teams met at McCormick Field for the National Regional Tournament last August. The Tournament matched Belleville, Flint, Cincinnati and East Chicago — champions of Illinois, Michigan, Ohio and Indiana. After four thrill-packed days of baseball, a scrappy Cincinnati team came out on top.

Thousands of baseball fans in this area congratulated the Louis E. Davis Post No. 56 of The American Legion for bringing to Bloomington and Normal one of baseball's greatest annual events.

"Operation Santa Claus"

Last Christmas the needy children of Berlin were remembered with gifts of candy, clothing and toys thanks to the Louis E. Davis Post of The American Legion. Following a letter from Army Corporal Joseph Thompson stationed in Berlin requesting assistance, the Legion Post organized "Operation Santa Claus."

"Operation Santa Claus" is typical of the many successful projects made possible by your American Legion.

Gifts were taken to The American Legion clubrooms and larger packages made up for shipment overseas in "Operation Santa Claus." Photograph shows Miss Eleanor Krople, secretary, adding another gift to the rapidly growing pile.

Annual Christmas Party

One of the many family activities for the members of the Louis E. Davis Post No. 56 of The American Legion is the Annual Christmas Party. Each year hundreds of veterans' children are entertained on Sunday preceding Christmas Day at the McBarnes Memorial Auditorium.

The children are entertained by professional vaudeville acts. The climax of the party is Santa Claus' dramatic entrance and distribution of gifts to all of the children.

CORN SUPPER

One of the most hilarious activities sponsored by the Louis E. Davis Post is the "Corn Cobbler" Supper which is open to all members without charge. Everyone attending is eligible to compete for the "Corn Cobbler" Crown — the original corn bowl.

In the 1947 event, the champion Wilbur Willis, downed 28 large roasting ears. In 1948, John Hall won the "Corn Cobbler" event by consuming 21 giant ears. The 1949 champion, Lloyd Humble, must have eaten dinner at home first, for he downed just 13 family-sized ears to win the title.

The "Corn Cobbler" Supper, a stag event, features varied entertainment and is now an annual affair which serves as a kickoff for the Legion membership drive held each fall.

Mr. J. W. "Bill" Scott, Chairman
CORN BOWL GAME Committee,
Louis E. Davis Post No. 56,
The American Legion, McBarnes Bldg.,
Bloomington, Illinois

Dear Comrade "Bill":

As Department Commander of The American Legion in this great Department of Illinois, I want to congratulate you and the hard working Legionnaires of the Louis E. Davis Post No. 56 who have done so much to make the Annual Corn Bowl Game as much a part of Thanksgiving Day in Bloomington as the turkey on your table.

This year's 3rd Annual Corn Bowl should be better than ever. I believe that your committee deserves continued success in its efforts to make this football classic a state and national attraction.

The Louis E. Davis Post is doing a grand job in good Legion public relations by sponsoring this annual event. The fact that the entire profits of the game are earmarked for the support of your American Legion Junior Baseball program makes it truly American and doubly worthwhile.

The American Legion, Department of Illinois, shares the McBarnes Building with the Louis E. Davis Post, and I am in constant contact with the many good programs this post has sponsored throughout the year. We certainly share your pride in the Corn Bowl game and wish you and your committee every success in this year and in the years to come.

Greetings from the entire state headquarters staff of the McBarnes Building.

Good luck to you and The Corn Bowl.

Sincerely,

Merle E. Schaad
